**WE ARE HOT 4 HOCKEY! -HELP RAISE FUNDS
FOR A 5-A-SIDE ASTRO TURF HOCKEY FIELD.**

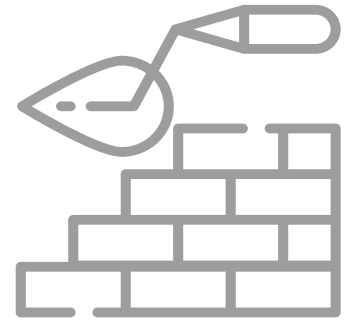

If we can achieve our goal of raising the needed funds to build a 5-a-side Astro turf, we will be able to expose our players to a whole new level of hockey and also bring this incredible sport to potential players from less privileged communities and backgrounds.

**TOGETHER WE CAN MAKE THIS HAPPEN FOR OUR SCHOOL,
OUR COMMUNITY, OUR LEARNERS, AND OUR HOCKEY
PLAYERS!**

Funding needed

R1 300 000,00

**THIS NEW 36M
X 36M FIELD
WILL COVER
1296 SQUARE
METERS.**

Purchasing a synthetic turf field may seem expensive initially, but the field pays for itself over time, proving to be a highly cost-effective investment. Synthetic turf maintenance costs are two to three times less than natural turf since no mowing, irrigation, or chemicals are needed. Because of its consistent availability, a synthetic turf field is also a reliable source of rental revenue for our school and community.

Buy an Astro turf Tile @ R250

**5200 ASTRO TURF TILES ARE NEEDED TO
COVER THIS NEW 5-A-SIDE HOCKEY FIELD.**

Every R1000 donated will cover one square meter

This will earn you a name on the remembrance donors' wall.
It will be next to the astro turf acknowledging your
contribution in different categories:
R1000 - R4999; R5000-R49 999; R50 000-R499 999;
> R500 000. Your logo or name will also be displayed on the
website sponsors' page.

Donors will qualify for a tax deduction.

All donors who have made a donation will be acknowledged
in our school newspaper - Die Bredasdorper.

Donate Now

Proposed budget (as per onsite quotation)

Item	Price
Civil Works & kerb	R131 000
Shock-pad	R230 000
Artificial Turf	R440 000
Fencing	R110 000
Paving	R50 000
Ancillary Items (Goalboxes x 2 sets, boot cleaners x2)	R81 500
Project contingency 3%	R31 275
15% Vat	R161 066.25
TOTAL (Bill of quantities available on request)	R1 234 841.25
Sundries	R65 158.75
Grand Total	R1 300 000

Payment method

Donations can be made via our website:
www.hsbredasdorpastrofund.com or by using the donation form on the last page.

Payments can be made as an once-off single donation or an ongoing donation. Please complete the donation form indicating which preferred method of payment you would like to make and return it to the BHS finance office finansies@hsbredasdorp.co.za

Why 5-a-side hockey?

FOREWORD

Nelson Mandela once said:

“Sport has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. It speaks to youth in a language they understand. Sport can create hope where once there was only despair.”

BACKGROUND

Bredasdorp High School is the Southernmost High School in Africa. We are situated close to the tip of Africa in Bredasdorp, Western Cape. Our school is characterised by its socio-economic, multi-cultural and geographic diversity. We provide opportunities in academics, culture and sport to a wide range of learners of which 40% are from previously disadvantaged backgrounds.

What makes our school one of the best in the Overberg region is the ability to provide learners from all backgrounds with quality education and to equip them to excel beyond the barriers or limitations of their backgrounds. Bredasdorp High School ensures that school fees are within the reach of ordinary families wanting an excellent education. Families that cannot afford school fees are assisted through fees exception.

The demographic profile of our learners is: Coloured – 52,11% (284); Black/ African – 7,9%(43); Indian – 0,37%(2); white – 38,72%(211) and other 0,92%(5). Total number of learners is 545.

At Bredasdorp High School we are committed to invest in the lives of our learners. One of the ways we do it, is through sport. This is where hockey comes into play...

Hockey has evolved as a sport and are nowadays played mostly on Astro turf. At our school we still play on grass although many schools that we compete against have Astro turf surfaces.

The game of hockey is changing and to stay competitive in the sport, giving our players the best skill development for the game, we need to change with it!

This is why we need you to invest in this awesome project: A 5-a-side Astro for uplifting our players, our game and our sport that we are so passionate about!

Our school maintains an excellent academic record each year, achieving 99 - 100% pass rate over the years. The high-quality results of achieving more than 80% Bachelor's Degree entrance rate, is something we are extremely proud of. The University of Stellenbosch rates Bredasdorp High School as one of its top feeder schools. It is important for us to produce well-balanced learners that excel in all areas between curricular and extra-curricular activities, of which hockey is an important part.

FROM THE HEADMASTER

At Bredasdorp High School we encourage learners to participate in as many activities as possible. Field hockey is a very popular sport and it is growing in our Overberg region and the Western Cape.

A lot of schools have built astro turf hockey fields. We, however cannot afford it, but would like to construct a mini astro surface for the following reasons:

- To prepare players for matches which they will play on astro turf and to develop their hockey skills.
- Encourage more learners to play hockey as the surface is exciting to play on.
- Use it for fundraising projects by organising 5-a-side tournaments.
- It is an excellent prospect for team-building sessions by inviting other sports codes to participate in social matches.
- Learners from other segments of the community can be uplifted by giving them coaching sessions and exposing them to new sport codes.

I can, therefore, without hesitation encourage possible investors to invest in this mini Astro project.

Müller Retief

FROM BHS GOVERNING BODY

We, as BHS Governing Body believe that Bredasdorp High School's proud achievements on the hockey field will improve further when we have our own astro turf. This will enable us to play in the same league as bigger schools and to be victorious!

We fully support this project and believe that this dream of getting our own mini astro turf will come to reality with the help of projects done for this purpose, as well as financial assistance of our community, businesses, local and abroad.

FROM THE 1ST TEAM COACHES

At Bredasdorp High school we are proud to be part of hockey as a school sport and would love to contribute even more to the sport, so that kids living in the “platteland” can really compete at the same level as their rival schools in their league and beyond.

It is always a challenge in the more rural areas of our country to keep learners motivated to participate in sport due to a lack of funding and resources. We want to give our players the best opportunities right here on their doorstep to be able to develop excellent players on club, provincial, and even national levels.

It is our opinion that in the long run, to keep this exciting sport growing in our rural areas we need to keep up with the changes in the hockey environment. If we can achieve this dream of getting our own astro turf, we do not doubt that we will take the sport to higher levels, not only for our school but for our community as well. This will surely help to expose players to a whole new level of hockey and also bring this incredible sport to potential players from less privileged communities and backgrounds.

We want school hockey players who are:

- passionate about hockey
- excelling and growing in their sport
- always striving to reach the highest level
- and who are proud ambassadors of the sport

We are sure that our goal of getting a mini Astro hockey turf for our school will be a tremendous value for BHS hockey. What an awesome project to be a part of!

We are looking forward to start this journey and invite you to become part of it!

FROM A 1ST TEAM PLAYER

Our junior and senior players will have exposure on astro turf, shaping and increasing our hockey skills and talent as players who will excel in the sport we all love to play!

FROM OLD BOYS & GIRLS

- Astro turf will give our hockey players of BHS more opportunities to develop and to be competitive at trials for provincial colours.
- The players will be able to play on their home ground and do not need to go away to other schools with astro fields to participate at a level the players are not used to.
- This 5-a-side astro will motivate and encourage the players to excel in hockey as a sport!

Thank you for your support

Every contribution to our 5-a-side Astro is so important and forms a vital part to the success of this campaign!

We will give you ongoing feedback regarding the growth of our funds raised. If you have any ideas or ways to further help us raise additional funds, please do not hesitate to contact us.

If in the event more funds are raised than needed for the 5-a-side astro, the remains will be set up in the astro fund for future maintenance, as well as equipment needed. By contributing you will also give us permission to use the excess funds as needed for our school's hockey.
